Prayer is the practice of the presence of God

Welcome to OneVoice27 — a movement of faith, creativity, prayer and mission across the South Pacific Division. OneVoice27 is part of a global initiative commemorating the 2,000th anniversary of Jesus Christ's earthly ministry, calling believers everywhere to rediscover the life and teachings of Jesus and proclaim His gospel through every available digital platform, culminating in a united global harvest on 25 September 2027.

At this pivotal moment, we believe God is calling His people to unite with renewed passion and purpose — one family, united by one message and empowered by one Spirit, sharing the everlasting gospel with clarity, compassion and hope. And at the heart of this movement must be prayer.

I heard someone say recently: "Prayer is the practice of the presence of God. It is the place where pride is abandoned, hope is lifted and supplication is made. Prayer is the place of admitting our need, adopting humility and claiming dependence upon God. Prayer is the needful practice of the Christian. Prayer is the exercise of faith and hope. Prayer is the privilege of touching the heart of the Father through the Son of God, Jesus our Lord."

Before we create, we pray. Before we post, we pray. Before we speak, write, film, design or share, we seek God's presence and ask for His Spirit to lead us.

Because OneVoice27 is not simply about producing more content — it is about allowing God to use our lives, our gifts and our voices to reach people for His kingdom.

And today, the mission field is also digital. Millions of people are searching online for meaning, connection and hope. Some may never walk into a church or meet a Christian in person — but every day they encounter stories, videos, images, music, podcasts and conversations online.

That means every believer has an opportunity to become a digital missionary.

- If you write, write for His glory.
- If you take photos, capture stories of hope.
- If you create videos, point people to Jesus.
- If you podcast, speak life.
- If you design, create with purpose.
- If you make music, use your gift for mission.
- If you use social media, make your influence count.

And whatever your gift, pray that God will use it.

Pray for the person who will read your words.
Pray for the person who will watch your video.
Pray for the person who will hear your music or podcast.
Pray for wisdom to know what to create and courage to share it.

Pray that the Holy Spirit will go before every message and reach hearts in ways that creativity alone never could. We were not created simply to consume content. We were created to create. We were created to make disciples.

Across the South Pacific, our cultures, languages and communities are wonderfully diverse, but our calling is one: to reveal the love of Jesus and prepare hearts for His soon return.

As the OneVoice27 family, we'll share inspiring stories, practical resources and creative ideas, while providing training and opportunities to collaborate with others who are passionate about using their God-given gifts for mission. Together, we also want to inspire a movement of prayer across the South Pacific—uniting believers in asking God to guide our creativity, open doors for the gospel and prepare hearts to encounter Jesus.

Whether you're a content creator, communicator, pastor, teacher, student, church member — or simply someone wondering how God could use your voice — there is a place for you in OneVoice27.

This is more than a campaign. It's a movement. A movement grounded in prayer. Empowered by the Holy Spirit. Focused on Jesus. And committed to mission. So follow the journey. Share the vision. Discover your creative gifts. Find your niche. Pray.

Ask God how He might use your voice to reach someone who needs hope. Ask Him to show you who He is already preparing to hear the message. And ask Him to make every word, image, song, story and conversation an opportunity for someone to encounter Jesus.

Together, with one heart, one mission and one voice, let's pray, create and share the hope of Jesus with every community across the South Pacific — and beyond.
